GARRISON MSS.

28

My dear Garrison. I rec'd your letter to-day, & have written a notice for y Annual Meeting. I am crowded for room this week, & must shorten down any editorial remarks till next. It will be time enough as y Meeting does not come till y second week in May.

Will you be kind enough to let me know where Benjamin Lundy first established his paper, & at what time. I can find nobody here who can give me y information, & I want it immediately for Mr. Giddings. Am I right in y date of your establishment in Jany. '31.? Can you tell me also what was y second anti Slavery paper — when published, & by whom edited? You will oblige me very much by giving me this information as soon as possible.

My wife joins me in regards to your sisters, & believe me to be very truly Yr. friend.
